## CDM Stravitec Earns 2024 Great Place To Work Certification™

**OVERIJSE, September 2, 2024** – CDM Stravitec is proud to be Certified™ by Great Place To Work® for the 2024 year in a row. *The prestigious award is based entirely on what current employees say about their experience working at CDM Stravitec. This year, 85% of employees said it's a Great Place To Work.*

Great Place To Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that CDM Stravitec stands out as one of the top companies to work for, providing a great workplace environment for its employees."

"We are thrilled to become Great Place To Work-Certified™, we consider employee experience a top priority every day," said CEO Laurence Carels.

According to [Great Place To Work research](#), job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company's profits and have a fair chance at promotion.

### About Great Place to Work Certification™

Great Place To Work® Certification™ is the most definitive "employer-of-choice" recognition that companies aspire to achieve. It is the only recognition based entirely on what employees report about their workplace experience – specifically, how consistently they experience a high-trust workplace. Great Place to Work Certification is recognized worldwide by employees and employers alike and is the global benchmark for identifying and recognizing outstanding employee experience. Every year, more than 10,000 companies across 60 countries apply to get Great Place To Work-Certified.

## About Great Place To Work®

As the global authority on workplace culture, Great Place To Work® brings 30 years of groundbreaking research and data to help every place become a great place to work for all. Their proprietary platform and For All™ Model helps companies evaluate the experience of every employee, with exemplary workplaces becoming Great Place To Work Certified™ or receiving recognition on a coveted Best Workplaces™ List.

## About CDM Stravitec

CDM Stravitec is a company specializing in the design, manufacture, and implementation of noise and vibration isolation systems for the building and industrial markets. Headquartered in Belgium and with locations in North America, Europe, and Asia, CDM Stravitec is well-positioned to handle projects globally. Over 70 years of experience and hundreds of successfully completed projects in more than 50 countries are testimony to their customer satisfaction.

In 2021, CDM rebranded to CDM Stravitec, as it had far outgrown its original use case of only manufacturing composite damping materials. The new name CDM Stravitec, derived from the organization's identification as a **Structural Acoustics & Vibration Isolation Technology** company, better reflects the current breadth of their services as well as honors their rich history.

By rebranding itself as CDM Stravitec and becoming a complete noise and vibration isolation solutions company with five product category offerings, the company is convinced that it is providing their customers with the best selection of acoustic engineered solutions and services available on the market today.

**Vision:** to make your world a quieter place, by designing engineered solutions tailored to your specific noise or vibration problem. That way, we want to create a more peaceful and sustainable planet for everyone.

**Mission:** to help you work and live in quiet comfort. CDM Stravitec specializes in the design, manufacture and implementation of noise and vibration isolation systems for buildings and industrial markets.

Spread across 50 countries, we can support you no matter where you are and are able to implement our solutions in both existing buildings and ones yet to be constructed. As your trusted partner, we always offer the right innovative and effective solution.

Our engineers and experts design and install every solution with care, collaborating closely with your project teams, architects and other partners to give you complete peace of mind.
